

COUNTING Activity Board

Using a crayon, shade in the box once you've completed the activity. Then, you choose which arrow to follow next!

START HERE

Count out a pile of 8 objects (goldfish, socks, or grapes). If you add one more to your pile, how many do you have?

Play "Count with Objects within 10"
<https://bit.ly/CWi10>

Complete "Creature Counting"
<https://bit.ly/CrCount>

Write the number that comes after:
 4, ___ 13, ___ 22, ___
 Write the number that comes before:
 ___, 10 ___, 19 ___, 26

A dinosaur has 28 donuts in his lunchbox. He eats 1 donut. How many donuts are in his lunchbox now? _____

Play "Counting Pizza Party"
<https://bit.ly/CountingPP>

Around your house— Count how many there are of each and record on the lines:
 windows: ___ doors: ___
 lights: ___ doorknobs: ___

Do 16 jumping jacks and count them out as you complete them!

Play "Fruit Splat!"
<https://bit.ly/FruitSpla>

Complete "Under the Sea: How Many?"
<https://bit.ly/UTSHM>

Fill in the missing numbers:

| | | | | | | | | |
|---|----|--|--|----|---|--|--|----|
| 1 | | | | | 6 | | | |
| | 12 | | | | | | | 20 |
| | | | | 25 | | | | |

Draw a ladybug with 11 spots on its back:

How many bones does the puppy have? _____

 If you take one bone away, how many bones does the puppy have now? _____
